Parental / Guardian Consent

I confirm that I have read all the information on this form and associated links and give consent for my child to take part in youth (12–15-year-olds) club rides organised by SWCC. I understand and agree that my child participates under the guidance of an experienced British Cycling coach entirely at his/her own risk. I have considered the nature of such rides and have discussed them with my child.

In the event of my child being unable to complete the ride (for example, due to a mechanical issue which cannot be resolved) I agree to be contactable and will collect them from a place of safety.

Arrangements for collecting / meeting my child at the end of the ride will be agreed with the coach before the ride departs

I confirm that they do not have any disability or medical condition (not previously disclosed) which could affect their safe participation in the ride

I consent to emergency first aid being administered to my child in the event of an accident and emergency services being called (if required) prior to me/us being notified.
