## Swindon Wheelers Cycling Club (SWCC) Universal Safeguarding Policy

### INTRODUCTION

**SWCC** is committed to ensuring that everyone participating in cycling does so in a safe and enjoyable environment.

**SWCC** recognises the policies of the National Governing Body, as set out in British Cycling Safeguarding Policies.

These policies and supporting procedures set out a framework to fulfil our commitment to good practice and the protection of adults, children and young people.

Harm can occur in any environment and to anyone. Those having regular contact with children, in particular, have a key role in putting the welfare of participants first, adopting practices that protect them and supporting them.

### OBJECTIVE

The overall aim of the policy is to ensure that everyone participating in the sport does so in a safe environment that supports everyone to reach their goals and full potential.

### KEY PRINCIPLES

- The welfare of children, anyone under 18 years of age, is paramount.
- **SWCC** recognises the authority of the statutory agencies, legislation and statutory guidance which supersedes these. **SWCC** recognises key legislation including Working Together Act 2023, Mental Capacity Act 2005 and the Care Act 2014.
- **SWCC** owes a legal duty of care to all persons engaged in our activities. That duty is to take reasonable care to ensure their reasonable safety. **SWCC** recognises that this duty is higher for children than it is for adults.
- **SWCC** recognises that there is a legal framework within which sports need to work to safeguard adults who have needs for care and support and for protecting those who are unable to take action to protect themselves. We will act in accordance with the relevant safeguarding adult legislation and with local statutory safeguarding procedures. Actions taken by **SWCC** will ensure action taken is prompt, proportionate, includes and respects the voice of the adult concerned and is consistent with all principles of adult safeguarding.
- Everyone, regardless of their Age, Race, Religion or Belief, Disability, Gender identity or Sexual Orientation, has the right to protection from abuse.
- All concerns and allegations of abuse and poor practice will be taken seriously and responded to swiftly and appropriately.
- Everyone will work in partnership to promote the welfare, health and development of all.

Swindon Wheelers Cycling Club. President: Steve Dutton Chairman: Ali Bartlam , Secretary: Adrian Short.  
Est 1923

## **SWCC will work to promote the principles of safeguarding by:**

- Reviewing policy and procedures every three years or whenever there is a major change in legislation or a significant organisational change.
- Using appropriate recruitment procedures to assess the suitability of coaches and volunteers in line with guidance from British Cycling.
- Ensuring that those working or volunteering regularly in regulated activities with children complete a DBS check through British Cycling.
- Following procedures to report welfare concerns and allegations. Ensuring that all coaches, volunteers, officials, parents, participants and members, including children, are aware of these procedures.
- Directing volunteers, coaches and officials to appropriate safeguarding training and learning opportunities, where this is appropriate to their role.
- Acknowledging the additional vulnerability of some groups (e.g. those with additional needs, looked after children, those with communication differences). Ensuring that the environment is appropriate for the individual and tailored to their needs.
- Reassuring parents and carers that all children and young people will receive the best care possible whilst participating in club activities. Ensuring that children and their parents/carers are informed and consulted and, where appropriate, fully involved in decisions that affect them.
- Ensuring that the principles of adult safeguarding are upheld, including respecting the rights and dignity of all involved, being proportionate with actions taken, and that, as much as possible, the voice of the adult is included in decision making.
- Cooperating with Police and relevant Local authorities where necessary, including sharing information with appropriate bodies such as the Disclosure and Barring Service, Police, Social services etc.
- Ensuring Committee members, coaches, officials and volunteers understand their role and responsibilities regarding safeguarding and are adequately trained.

### **1. Mandatory Safeguarding Requirements for Clubs**

SWCC will comply with the British Cycling Mandatory Safeguarding Requirements set out below.

- Adopt and implement the British Cycling Safeguarding policies, ensuring that they are understood by all and procedures are put into practice.
- Recruit, appoint, register and arrange for the training of a Club Welfare Officer (CWO) by British Cycling, with a clear role description, who is the designated contact for Safeguarding issues.
- Ensure that the Club Welfare Officer holds a current Disclosure and Barring Service check (DBS) through British Cycling.
- Display and communicate the contact details for the Club Welfare Officer.
- Ensure that all those working or volunteering with children regularly in Regulated Activity holds a current Disclosure and Barring Service check (DBS) through British Cycling.
- Display and communicate the clubs own Safeguarding Policy Statement where possible.

Swindon Wheelers Cycling Club. President: Steve Dutton Chairman: Ali Bartlam , Secretary: Adrian Short.  
Est 1923

- Follow the British Cycling reporting procedures, referring concerns and allegations to the British Cycling Safeguarding Team.

## **2. Recruitment and Training of coaches, officials and Volunteers**

### **2.1 Recruitment**

**SWCC** understands that getting the right volunteers in place is key to a well organised club that can provide a safe and supportive environment.

Each coach, official or volunteer should undergo a safer recruitment process which involves completing an application form. These forms should include a self-disclosure form, 2 references (a family member, friend or neighbour would not be considered a suitable referee) and details of previous relevant experience.

For those working with children on a regular basis, a Disclosure & Barring Service (DBS) check by British Cycling must also be completed.

All coaches, officials and volunteers recruited with responsibility for, and significant contact with, children must agree to inform their club if they are subsequently investigated by any agency or organisation in relation to concerns about their behaviour towards children or young people. **SWCC** will report this to the British Cycling Safeguarding Team, which will advise on the appropriate course of action. In situations where a volunteer does not belong to a club but is involved with events organised or sanctioned by British Cycling, the individual must directly inform the British Cycling Safeguarding Team of any such investigations.

### **2.2 Criminal Records Checks**

#### **2.2.1 Disclosure and Barring Service (DBS) Checks**

DBS checks are another tool in the recruitment process. These must be renewed every three years.

The type of DBS check required will be determined by the role someone has, the frequency of that role being carried out and whether or not the role is supervised.

Anyone needing a DBS check must complete this through British Cycling. Use of the update service and/or DBS checks through other organisations are not accepted.

If a DBS certificate contains any entries, then British Cycling will require sight of the complete copy.

A criminal record will not necessarily prevent an applicant from working or volunteering with children and young people, but a suitability assessment will be conducted, and the applicant may be asked to provide additional information and references.

British Cycling will take in to account the Rehabilitation of Offenders Act (1974) and only consider offences which are relevant to the care, supervision and training of children.

Swindon Wheelers Cycling Club. President: Steve Dutton Chairman: Ali Bartlam , Secretary: Adrian Short.  
Est 1923

If the applicant fails to engage in this process, then **SWCC** will be informed, and the applicant will be required to cease any involvement in **SWCC** activities.

British Cycling will not inform **SWCC** about the details of any offending, but we will be informed whether or not the applicant is considered suitable to work with children and young people.

## 2.3 Training

All volunteers, coaches and officials should be offered access to appropriate safeguarding training. **SWCC** will follow British Cycling's recommendation of attendance at a recognised face to face safeguarding course and all volunteers who have significant contact with children should attend. A refresher course should be completed every three years.

Appropriate safeguarding training should be mandatory for all individuals in 'Regulated Activity.'

Legislation sets out what 'Regulated Activity' with children is. It is determined by the role someone has; the frequency of that role being carried out and whether or not the role is supervised.

## 3. COMPLAINTS, CONCERNS AND ALLEGATIONS: Children and young people (under 18s) and adults

### Children and young people

**3.1** If any individual has a concern about the welfare of a child, or the conduct of another person (whether they are an adult or child, parent, coach, member or otherwise), these concerns should be brought to the attention of **SWCC** Welfare Officer without delay.

The person reporting the concern is not required to decide whether abuse has occurred, but simply has a duty to share their concerns and any relevant information to the **SWCC** Welfare Officer

Please refer to the Flowchart "Dealing with Concerns - Children" below for further details.

**3.2** You may receive information regarding the welfare of a child or young person who is involved in cycling, yet the concern itself does not relate to someone within the sport (e.g. the concern relates to the child's home or other social setting). In these circumstances you should still follow the same procedures.

Please refer to the Flowchart "Dealing with Concerns" below for further details.

**3.3** All concerns will be treated in confidence. Details should only be shared on a 'need to know' basis with those who can help with the management of the concern.

Swindon Wheelers Cycling Club. President: Steve Dutton Chairman: Ali Bartlam , Secretary: Adrian Short.  
Est 1923

- 3.4** Concerns will be recorded on an [Incident Report Form](#) and sent to the British Cycling Safeguarding Team within 24 hours.
- 3.5** **SWCC** will work with British Cycling and other external agencies to take appropriate action where concerns relate to potential abuse or alleged poor practice. Disciplinary procedures will be applied and followed where appropriate.
- 3.6** Any information about an individual that relates to their suitability to work, volunteer with or participate alongside children and young people will be reported to the British Cycling Safeguarding Team.

A safeguarding risk assessment will be completed by British Cycling and British Cycling disciplinary procedures will be applied and followed where appropriate

- 3.7** In the event of a child making a disclosure of any type of abuse, the following guidance is given:
- Reassure them that they have done the right thing to share the information
  - Listen carefully and take what they say seriously
  - Do not make promises that cannot be kept, such as promising not to tell anyone else
  - Do not seek to actively question the child or lead them in any way to disclose more information than they are comfortably able to: this may compromise any future action. Only ask questions to clarify your understanding where needed e.g. can you tell me what you mean by (insert word used)?
  - Record what the child has said as soon as possible on an incident report form.

**SWCC** will give careful consideration as to whether the parents of the child involved should be informed of the concern at that stage, if they are responsible for the abuse or are unable to respond to the situation appropriately then this could put the child at greater risk.

**SWCC** will refer any incidents to British Cycling for advice.

If the British Cycling Safeguarding Team is not available and a delay cannot be justified then **SWCC** will seek advice from the local Children's Social Care department, the Police or the NSPCC.

- 3.8** **SWCC** understand that the NSPCC Helpline is available to discuss concerns regarding poor practice and abuse in confidence with members of the public who need support. The Helpline number is 0808 800 5000.
- 3.9** Safeguarding children and young people requires everyone to be committed to the highest possible standards of openness, integrity and accountability. **SWCC** supports an environment where coaches, volunteers, parents and the public are encouraged to raise safeguarding and child protection concerns.

Swindon Wheelers Cycling Club. President: Steve Dutton Chairman: Ali Bartlam , Secretary: Adrian Short.  
Est 1923

Anyone who reports a legitimate concern (even if their concerns subsequently appear to be unfounded) will be supported.

All concerns will be taken seriously.

**3.10 SWCC** may take action to restrict a member's involvement in cycling during an ongoing investigation. This is a neutral act. At a later stage the individual may be subject to action under the appropriate disciplinary regulations.

**3.11 SWCC** are aware that all concerns reported to the British Cycling Safeguarding Team will be referred to the British Cycling Case Management Group who will advise on the appropriate course of action to take and ensure that all allegations, incidents and referral relating to the safeguarding of children are dealt with fairly and equitably.

**3.12** Details relating to children and young people will be retained securely. .

Details of a child or young person will not be shared with a third party without parental consent unless the information is required in the interests of safeguarding, and the child or young person may be at greater risk if the parents are aware.

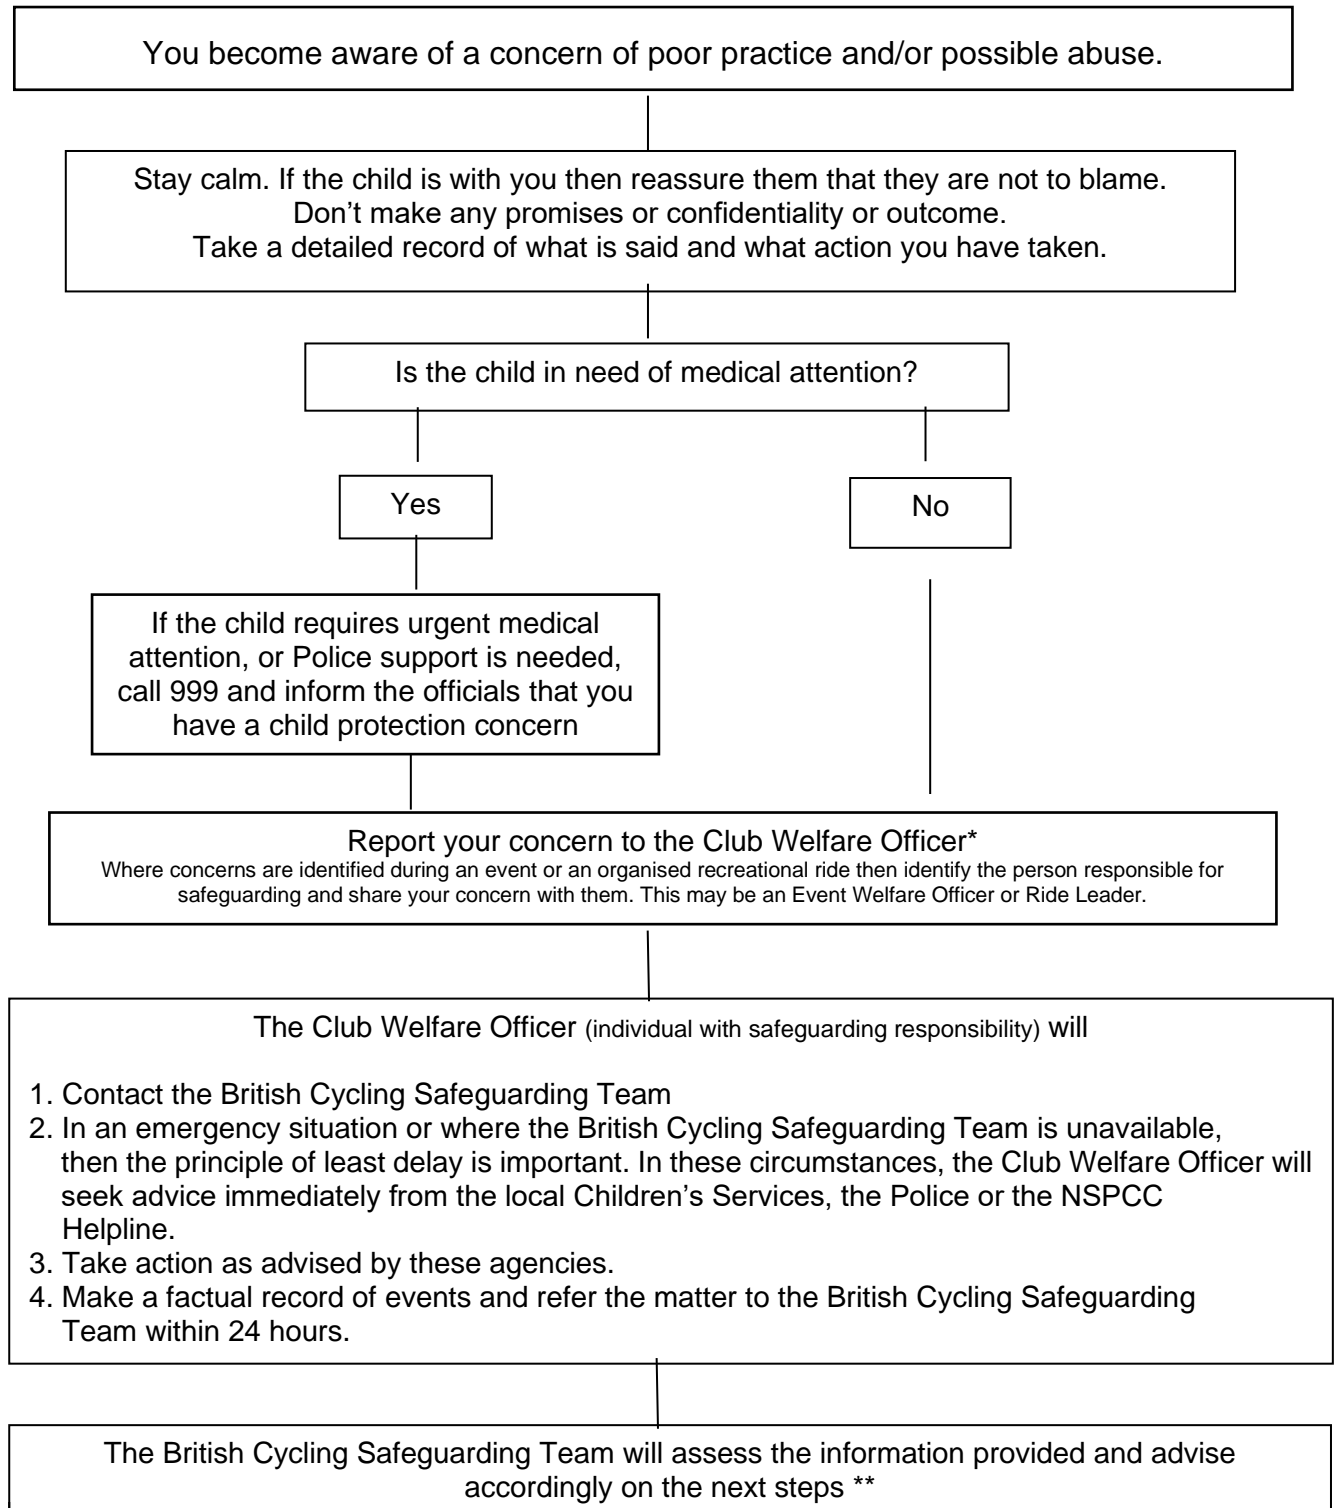

All concerns/allegations will be dealt with confidentially, and information will only be shared on a need-to-know basis, either internally or externally, depending on the nature/seriousness of the concern/allegation.

Swindon Wheelers Cycling Club. President: Steve Dutton Chairman: Ali Bartlam , Secretary: Adrian Short.  
Est 1923

## FLOWCHART 1

### DEALING WITH CONCERNS – Children

Swindon Wheelers Cycling Club. President: Steve Dutton Chairman: Ali Bartlam , Secretary: Adrian Short.  
Est 1923

\* If the Club Welfare Officer is not available, or the concerns relates to the Club Welfare Officer/individual with safeguarding responsibility then contact the British Cycling Safeguarding Team or refer the matter directly to Children's Social Care/Police as a delay may place the child at further risk.

\*\*If the concern is about anyone with the British Cycling Safeguarding Team then report your concerns directly to the local Children's Social Care, the local Police or the NSPCC Helpline.

### **Adults (18 years + )**

**3.13** If anyone has a concern about the welfare of an adult, if safe to do so, the adult of concern should be spoken to in a safe, private environment. If not safe to do so, advice can be sought from British Cycling Safeguarding team, without giving details about the adult of concern.

**3.14** Legislation gives adults the right to make their own choices. The Care Act 2014 sets out 6 key principles for adult safeguarding.

1. Empowerment: supporting and encouraging adults to make their own decisions.
2. Prevention: taking action before harm occurs.
3. Proportionality: responses should be appropriate to the risks presented.
4. Protection: support and represent for those at greatest need.
5. Partnership: local services and communities should work together to prevent, detect and report abuse.
6. Accountability: be accountable and transparent in delivery of safeguarding.

It is essential that adults are empowered and that actions are guided by the principles of prevention and proportionality.

### **3.15**

The Mental Capacity Act 2005, states that in almost all circumstances, adults have the right to be involved in safeguarding decisions related to them. Any individual over 18 can choose whether they wish for an issue to be referred to British Cycling or other agencies for support. Should they refuse further support, this should be respected unless:

- they lack the mental capacity to make this decision
- it's an emergency, including if there is a threat to life
- there is a risk to others, including children
- the concern involves a serious crime
- the people implicated are in a position of trust or power.

Swindon Wheelers Cycling Club. President: Steve Dutton Chairman: Ali Bartlam , Secretary: Adrian Short.  
Est 1923

If any of the above apply, a referral to British Cycling must be made. If information needs to be shared without the consent of the adult this should be explained to them, when it is safe to do so, and any further actions should still include them.

### 3.16

Concerns which an adult consents to share, or that fall into one of the categories listed in 3.16, should be shared with British Cycling via the [Incident Report Form](#).

If there are any doubts around whether to share information, British Cycling or the Local Authority can be contacted. The situation can be explained without giving personal details about the person causing harm. All concerns will be treated in confidence and on a need-to-know basis.

**3.17** **SWCC** will work with British Cycling and other external agencies to take appropriate action where concerns relate to potential abuse or alleged poor practice. Disciplinary procedures will be applied and followed where appropriate.

**3.18** Any information about an individual that relates to their suitability to, volunteer with or participate alongside children and young people will be reported to the British Cycling Safeguarding Team.

A safeguarding risk assessment will be completed by British Cycling and British Cycling disciplinary procedures will be applied and followed where appropriate

**3.19** **SWCC** may take action to restrict a member's involvement in cycling during an ongoing investigation. This is a neutral act. At a later stage the individual may be subject to action under the appropriate disciplinary regulations.

Swindon Wheelers Cycling Club. President: Steve Dutton Chairman: Ali Bartlam , Secretary: Adrian Short.  
Est 1923

## FLOWCHART 2 DEALING WITH CONCERNS – Adult (18 years +)

If the person makes a disclosure, reassure them that their concern is being taken seriously.  
Stay calm and allow them to speak freely without judgement.

If you have a concern or observe signs of abuse, and it's safe to speak to the adult, approach them for a private conversation. If it is not safe to do so, you may want to contact British Cycling or the Local Authority for advice (without using personal details).

Does one of the following apply?

- The person lacks the mental capacity to make decisions around their welfare.
- The situation is an emergency, including if there is a threat to life.
- There is a risk to others, including children.
- The concern involves a serious crime
- The person(s) implicated are in a position of trust or power.

Yes

No

You must make a referral to British Cycling, regardless of whether you have the consent of the individual. When it is safe to do so, you should let the adult know that you are making a referral.

You should ask the individual what they would like to happen. If they would like to access support, you or they can make a referral. If they do not want any further action to be taken, you must respect this decision.

Consent gained

No consent

The British Cycling Safeguarding Team will assess the information provided and advise accordingly on the next steps.

The individual can be advised of support services. No further action can be taken.

Swindon Wheelers Cycling Club. President: Steve Dutton Chairman: Ali Bartlam , Secretary: Adrian Short.  
Est 1923

## **4. GOOD PRACTICE GUIDELINES**

### **4.1 Emergencies and Incidents**

Where children are participating in events or activities, or attending organised coaching sessions, Parental Consent Forms will be obtained. These forms will be retained, treated in confidence and only shared with those who require the information they contain to perform their role effectively.

Risk assessments should be in place to lessen the risk of injury or harm.

### **4.2 Supervision**

**4.2.1** During coaching sessions, coaches will conduct a risk assessment to inform decision making about appropriate supervision levels, especially when working with children.

Coaches should consult their British Cycling Coaching guidelines for specific coaching ratios.

Regardless of the recommended ratio of adults to participants, it is recommended that a minimum of two adults should be present at all sessions that include Under 18's This ensures at least basic cover in the event of an incident impacting on the availability of one of the adults during the activity.

**4.2.2** Parents may be encouraged to stay for coaching, activities & other events where their children are of an age where greater levels of parental supervision are required.

**4.2.3** Parents and participants of all ages should be made aware if there is limited changing room space and there may be occasions when adults and children may need to share the facilities (see 4.4.1).

**4.2.4** Parents should be aware that supervision is only provided when their child is attending and engaged in specific coaching sessions and activities.

**4.2.5** Special arrangements will be made for away trips with under 18's. Parents will receive full information about arrangements for any such trip and will be required to provide their consent for their child's participation.

### **4.3 Behaviour of adults and children**

**4.3.1** Adults who work with children are placed in a position of trust in relation to children, and therefore it is important they behave appropriately and provide a strong positive role model for children, both to protect children and those working with children from allegations of poor practice.

Swindon Wheelers Cycling Club. President: Steve Dutton Chairman: Ali Bartlam , Secretary: Adrian Short.  
Est 1923

**4.3.2 SWCC** requires that all coaches and volunteers working with children and adults adhere to the standards set out in the Code of Conduct relevant to their role. Similarly, children, parents and all participants are expected to follow their respective Codes of Conduct to ensure the enjoyment of all participants and assist **SWCC** in ensuring their welfare is safeguarded.

**4.3.3** Responsible interaction between adults and children helps bring mutual respect and understanding and should be encouraged during activities. Adults must be aware, however, that age related differences do exist and conduct themselves in a manner that both recognises this and prioritises the welfare of any children involved.

**4.3.4** Physical contact with participants, including children, by coaches or volunteers should always be intended to meet the needs of the individual and the sport, not the coach or volunteer. For example, to develop technique, to protect the individual from injury, to provide first aid or treat an injury. It should always take place in an open environment, and should not, as a general principle, be made gratuitously or unnecessarily.

#### **4.4 Changing Rooms**

**4.4.1** Changing rooms may be used by a number of individuals at events or activities.

When children are attending events and activities, parents will be made aware that adults may use changing rooms throughout the day for changing & showering.

Where a parent/carer does not consent to their child accessing the changing rooms, it is their responsibility to either supervise the child while in the changing rooms or ensure that they do not use them.

**4.4.2** Volunteers, coaches and officials will not shower or change at the same time as children and young people.

**4.4.3** No photographic equipment should be used in changing rooms. This includes cameras, video camera, mobile phones and any other device capable of taking and recording images.

#### **4.5 Transport**

**4.5.1 SWCC** believes it is primarily the responsibility of parents to transport their children to and from events and activities. It is not the responsibility of **SWCC** , volunteers, officials or coaches to transport children and young people to and from events, activities or coaching sessions.

**4.5.2** Arrangements for transport of children may be made in exceptional circumstances, such as team events. Where this is the case, the written permission of the parent/carer will be sought.

The drivers used will be checked for their suitability to transport and supervise children and their insurance arrangements verified.

Consideration will be given to accident, breakdown and recovery cover.

Swindon Wheelers Cycling Club. President: Steve Dutton Chairman: Ali Bartlam , Secretary: Adrian Short.  
Est 1923

#### 4.6 Social Media

Social media provides unique opportunities to engage and develop relationships with people in a creative and dynamic forum where users are active participants.

However, the range of social networking sites also introduces a range of potential safeguarding risks, especially to children and young people.

It is important that Volunteers, officials and coaches follow best practice guidelines.

Additional care may be needed regarding internet safety depending on an individual's age, understanding and development. Education around internet/social media safety can be an issue for people of all ages.

### 5. ANTI BULLYING PROCEDURES

**Bullying** is behaviour that causes physical and/or emotional harm to someone else. It can happen anywhere – in person or online (cyberbullying). It's usually repeated over a period of time Bullying behaviour can often stay confined to 'bullying hotspots', which are locations in a club or venue that might be more secluded or have fewer witnesses, such as changing rooms.

Bullying can take many forms, examples in sport may include:

- Physical – hitting, pushing, kicking or other physical assault
- Verbal abuse – offensive name-calling, insults or gossiping
- Non-verbal abuse – offensive hand signs or text messages
- Racial, sexist or homophobic – racist remarks, sexist jokes or comments, or homophobic, transphobic or gender-related jokes or comments
- Sexual – abusive sexualised name-calling, inappropriate and uninvited touching, or an inappropriate sexual proposition
- Indirect – spreading unpleasant rumours about someone, intimidation, exclusion from social groups, manipulating or constantly undermining someone

#### 5.1 SWCC believe that every effort must be made to eradicate bullying in all its forms.

Bullying can be difficult to define and can take many forms which can be categorised as:

- Physical
- Verbal
- Emotional

Bullying is defined as the repetitive, intentional hurting of one person or group by another person or group where the relationship involves an imbalance of power.

Swindon Wheelers Cycling Club. President: Steve Dutton Chairman: Ali Bartlam , Secretary: Adrian Short.  
Est 1923

Bullies no longer rely on being physically near to the victim. It can happen face to face or online. Cyberbullying is when a person uses technology to deliberately upset someone.

A bully can be anyone involved in the sport, a parent, coach, child, volunteer or official.

**SWCC** will not tolerate bullying in any of its forms during activities, events, competitions, coaching or at any other time.

Bullying can take place anywhere but is more likely to take place where there is inadequate supervision, especially in the case of children.

## 5.2 Take a Positive Approach

**SWCC** will:

- Ensure that Anti-Bullying policies are promoted
- Ensure all coaches and volunteers adhere to the standards set out in the Code of Conduct relevant to their role.
- Ensure that everyone follows their own Code of Conduct.
- Have discussions about bullying, why it matters and how we will respond to it.
- Develop an open environment that encourages people to share their concerns
- Report any concern of bullying to the British Cycling Safeguarding Team
- Take the problem seriously

## 6. INDIVIDUALS AT INCREASED RISK OF ABUSE

Any child or adult can be victim to abuse, but it is recognised that some groups are more vulnerable.

Those with disabilities, individuals from black and mixed ethnic backgrounds, LGBTQ+ individuals and people who have previously suffered abuse, are all at increased risk of harm.

Children are more vulnerable, especially those in care or whose parents suffer from mental health problems, drug or alcohol abuse or who experience domestic violence within in the family are at increased risk of harm. However, just because a child is living in these circumstances does not mean they are suffering harm.

### 6.1 Individuals with Disabilities

An individual's disability may not always be obvious or visible (for example, someone with a learning disability).

When volunteers, officials and coaches are working with anyone with disabilities **SWCC** understand that extra safeguards may need to be put in place.

Everyone working with the individual should understand what their impairment actually means.

**SWCC** will consult with the individual and carers/parents (where applicable) to make sure that there is an appropriate plan in place to meet any additional needs.

### 6.2 Elite Athletes

Swindon Wheelers Cycling Club. President: Steve Dutton Chairman: Ali Bartlam , Secretary: Adrian Short.  
Est 1923

Moving through the talent pathway offers fantastic experiences and rewards for athletes, however there are specific factors in elite sport that can make talented athletes more vulnerable to harmful behaviours, either from themselves, their coaches or parents, or members of their wider support team.

This may take the form of over-training or being pushed too far. There, the focus is on the goals to achieve success rather than the needs of the individual.

These factors include:

- a win at all costs approach
- intense coach-athlete relationships
- a self-image that is linked closely with performance excellence
- young athletes operating in an adult-focused environment
- being away from family and support networks
- fear of losing funding or a place on the programme if they speak out

**SWCC** will ensure suitable boundaries are maintained and any concerns are challenged and reported appropriately.

## 8. CATEGORIES OF ABUSE

Abuse can happen on any occasion and environment, it is a violation of an individual's human and civil rights by another person or persons. **Individuals** may be abused in a family or in an institutional or community setting by those known to them or, more rarely, by a stranger. Children can be abused by adults, either male or female, or by other children.

There are 10 types of abuse adults may suffer:

- Physical
- Sexual
- Emotional/psychological
- Neglect and acts of omission
- Financial or material abuse
- Discriminatory
- Organisational or institutional
- Self-neglect
- Domestic abuse (including coercive control)
- Modern slavery

There are 4 main types of abuse children may suffer:

- Neglect
- Physical abuse
- Sexual abuse
- Emotional abuse.

Children and young people can also be harmed through poor practice and bullying within a sport setting.

## 9. POOR PRACTICE IN SPORT

Swindon Wheelers Cycling Club. President: Steve Dutton Chairman: Ali Bartlam , Secretary: Adrian Short.  
Est 1923

There is a requirement for all clubs/teams affiliated to British Cycling to report any child safeguarding concerns, including concerns relating to poor practice, as well as relevant adult safeguarding concerns (see flowchart 2).

Understanding what kind of behaviour constitutes poor practice and abuse will help you respond appropriately when concerns are raised.

Poor practice is behaviour of an individual in a position of responsibility which falls below the organisation's required standard (typically as described in the Code of Conduct relevant to their role).

Anyone working or volunteering in a position of trust or responsibility, should avoid putting themselves in situations where their conduct is questionable.

The poor practice may not be immediately dangerous or intentionally harmful, but it is likely to set a poor example.

Poor practice is potentially damaging to the individual, the organisation and those who experience it.

For example, coaching under the influence of alcohol, smoking, swearing in front of children, or not paying due care and attention to participants all constitute poor practice.

Poor practice can sometimes lead to or create an environment conducive to more serious abuse. It may also lead to suspicions about the individual's motivation, even where no harm is intended. For example, if a coach is giving one child too much attention, regularly transports children in their car, or encourages physical contact with children without obvious justification.
